Kneel and rise, and live!

**GLORY BE**

Glory be to ocean,  
 swells that will not cease.  
 Glory to a lone gull,  
 hov'ring over beach.  
 Glory in the miracle:  
*life* that is the earth.  
 Glory to the Author,  
 musing all things to birth.

*Glory!, sings the magpie.*  
*Glory!, howls the wind.*  
*Glory!, sounds the mountain.*  
*Kneel and rise, and live!*

Glory be to radiance,  
 in my neighbour's eye.  
 Glory in the shudder  
 when those we love will die.  
 Glory through the atom,  
 Glory in the sun.  
 Glory to the Poet,  
 calling out, reading on.

**Chorus**

Glory be to humans,  
 in flesh, blood and bone.  
 Glory to our yearning;  
 a new world must come!  
 Glory for the Presence,  
 when all seems dead and lost.  
 Glory to the Spirit:  
 Wonder, vision - love!

**Chorus (x2)**
